- ◆ 15th & 16th - Meter Reads

2669 of 7500kwh

COMMUNITY UPDATES

The Solar has been under construction since 4/15/24. We don't expect our Solar to be up and running until possibly fall. Once we are producing Solar energy each household will receive 7500kwh per year. A new section has been added to your monthly statement that will help you gauge your YTD usage.

FISHING POND

In June we will be stocking the fish pond with young bass, bluegill, and mosquito fish. We are also installing a fish food dispenser, so that residents can go to the pond and feed the fish. Please avoid fishing in the pond during the month of June, so that the fish can get established in their new environment. The pond is catch and release only.

LOT BEAUTIFICATION

Lot Beautification program will run from May through September. Two lots will receive a \$25 credit towards their monthly billing. We will be looking for "best-looking lot", and "most improved lot". Most lots looked very nice.

Most Improved Lot 123

Best Looking Lot 204

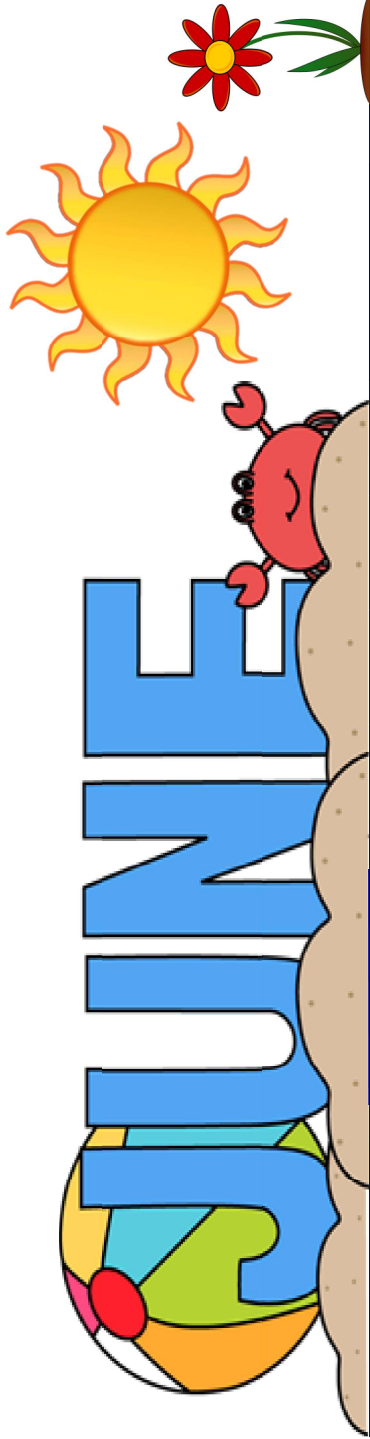

Honorable Mentions

008, 025, 200,
182, 146, 050,
046, 106, 007,
012, 086, 122,
110, 104, 207,
185, 184, 168,
